Letter of Attestation

To, SUPER MICRO COMPUTER INCSUPER MICRO COMPUTER INC,

This letter of attestation (the Letter) confirms that UL Solutions has performed assessments on components in accordance with the Article 14 of Cyber Resilience Act and has been determined to be compliant to Article 14 of Cyber Resilience Act.

The assessment was performed on the product scope identified in Annexure B of this Letter.

Qualification Effective Date:	07 September 2026
LoA number:	LOA-CRAP1-2026-EN4792368798V0
Assessment scope:	EU 2024/2847 Cyber Resilience Act, Article 14

UL Solutions hereby declares that SUPER MICRO COMPUTER INC has been offered a detailed report as a deliverable of the assessment of the product scope identified in Annexure B, including, but not limited to, detailed assessment results of the performed assessments, an assessment of each implemented security capability, and recommendations to further enhance the security posture of the connected product. The summary of findings are detailed in Annexure A.

Sincerely,

Jasper Wang
Operations Leader
